

Chapter 1.2 - Learning Plan

Learning Sessions	Chapter	Activities
1	1 – Planning and researching	Watch the videos, access the supplemental material, adjust the planning to your schedule, and start researching, listening and taking notes. <i>Check your work</i> and move on.
2	2 - Tools	Watch the video, check the supplemental material, take notes, listen to the examples, and continue the context research. <i>Check your work</i> and move on.
3	3 - Tips and Tricks	Watch the video, wrap-up the notes on your listening and your research. <i>Check your work</i> and move on.
4	4 – Science it up	Revise your notes, watch the video marking on your sheet music. <i>Check your work</i> and move on.
5	5 – Mind and hands-on practicing	Watch video 01, take notes, learn section 1, record your last practice of each part, and move on. 🙌
6	5	Watch video 02, take notes, learn section 2, revise section 1, record your last practice of each part, and move on.
7	5	Watch video 03, take notes, learn section 3, revise section 2 and then section 1, record your last practice of each part, and move on.
8	5	Watch video 04, take notes, learn how to join the voices, revise, record your last practice of each part, and move on. 🙌
9	5	Watch video 05, take notes, join the voices in section 2, revise larger parts, record your last practice of each part, and move on.
10	5	Watch video 06, take notes, join the voices in section 3, revise larger parts, record your last practice of each part, and move on. 🙌
11	5	Watch video 07, take notes, revise increasing the size of each part, record your last practice of each part, and move on.
12	5	Continue your practice to have two sections complete.
13	5	Continue your practice to have all three sections complete.
14	5	Watch video 08, take notes, and practice with the new approaches. Then, add the ornaments and write down all your ideas for a final interpretation. Record the most relevant approaches and move on. 🙌
15	5	Revise once more with and without the ornaments and record your final results. <i>Check your work</i> before you watch the final video.
	6 - Conclusion	You made it! Celebrate with us, learn how to improve your interpretation and your performance even more, and get ready for a new musical journey. 🙌

🙌 This is a good moment to use an Individual Video Feedback.
